

## **Safe Environment Policy**

Staff and Volunteers

If you are new to the diocesan Safe Environment program or if it has been more than 5 years since your original training, you are being asked to complete an online course. Please follow the link below to get more information about this program which is required by the Diocese of Owensboro for all employees and volunteers.

<http://www.owensborodio.org/safe/>

Go directly to the training site by using the following link:
