

ST. MARY OF THE WOODS

SCHOOL

2/23/2022

Greetings from St. Mary of the Woods School!

Young people today need Catholic education more than ever. In a world where truth, beauty and goodness are considered all but subjective, the Way, Truth and Life offered us in Jesus Christ are our only source of direction, clarity and hope. Furthermore, being rooted in faith does not endanger the academic quality of Catholic schools, but in fact is their very motivation for excellence in all things.

It is the awesome responsibility of parents, assisted by the people of God, to strive to form saints. An authentically Catholic school thus assists parents in their charge to prepare children for life on earth and life in heaven. Nothing could be more important, and we all need to be reminded of this on a consistent basis. Catholic schools are indeed the most effective ways to assist parents in their duty to educate in faith.

With the Bishops, I believe that the stakes could not be higher for the Church and the country, and my reason for writing you today is animated by three deep-seated convictions:

1. Catholic schools afford the fullest and best opportunity to realize the fourfold purpose of Christian education, namely, to provide an atmosphere in which the Gospel message is proclaimed, community in Christ is experienced, service to our sisters and brothers is the norm, and thanksgiving and worship of God is cultivated.
2. The vitality of the Church is inextricably linked to the health of its Catholic schools because they provide the most effective way to evangelize and form holy men and women who make God known, loved, and served.
3. Catholic schools will continue to play a vital role in American civic life, as they exemplify how to prepare citizens for full engagement in democracy and commitment to the common good.

There is no substitute for spending 35 hours each week in an educational environment permeated by faith and Gospel values. With that said, I ask all Catholic families to make Catholic Schools your first choice for the education of your children. Choose St. Mary of the Woods School! There is no investment like the one we make in our young people to provide them with the gift of a Catholic Education, a gift that keeps on giving.

Enclosed, you will find pre-registration forms as well as information on tuition assistance.

Blessings,
Fr. Brian J. Roby,
Pastor
